

2017 VoIP Phones Customer Satisfaction Report

17 VoIP Phone Companies Assessed
by IT Manager Customers

Brochure

The 2017 VoIP Phone Customer Satisfaction report was researched and developed by the Eastern Management Group, Inc.

The report has two important objectives:

- 1.) Give VoIP phone vendors substantial customer satisfaction information on themselves and peer companies to use for benchmarking purposes
- 2.) Give IT Managers customer evaluations of leading VoIP phone companies, to use in the vendor selection process

Customer Satisfaction Research

More than 2,850 VoIP phone customers were surveyed by the Eastern Management Group for the report. IT managers reported on their experience as a customer of one of 17 VoIP phone companies evaluated (see table below). All VoIP phone providers were quantitatively rated on 10 Customer Satisfaction Measurements (see table next page).

The Report

This Eastern Management Group report was developed by using 2,850 customer surveys with IT Managers, a proprietary customer satisfaction data model, data tabulation, and analysis for all 17 VoIP phone providers.

The 96-page [2017 VoIP Phone Customer Satisfaction](#) report has detailed information on each of the 17 VoIP phone vendors.

- There are four pages of information on every vendor, with data on each of the 10 Customer Satisfaction Measurements (see table previous page).
- A list of the Top 10 LeadersSM and their Customer Satisfaction Measurement scores for convenient reference.
- Numeric and 4 Star Ratings for each VoIP phone vendor for all Customer Satisfaction Measurements.
- A user-friendly excel data spreadsheet with all vendor data is included with the report.

With the Report and Data Model You Will Be Able To

- Rank order all 17 VoIP phone providers for every Customer Satisfaction Measurement
- Determine where your company excels and areas to improve
- Compare different types of vendors
- See who's best in often challenging Customer Satisfaction Measurements such as Management Tools and Contact Center Experience
- Compare your business to competitors for benchmarking
- Understand which Customer Satisfaction Measurements may be causing customers not to recommend your company or any vendor to a friend
- Evaluate potential vendors
