

Worldwide Hosted PBX Market 2018-2024

Table of Contents

© 2018 The Eastern Management Group, Inc.

Introduction

Worldwide Hosted PBX Market 2018-2024 was published by The Eastern Management Group in the fourth quarter of 2018.

Researching and forecasting the worldwide deployment of hosted PBX reflects a significant undertaking by The Eastern Management Group. Hosted PBX is now in place on every continent, and it is quickly displacing premises PBXs.

To create the Worldwide Hosted PBX Market 2018-2024, we gathered global data both from vendors and customers.

Bringing this report together required completed surveys from more than 20,000 Information Technology (IT) managers and technology vendors worldwide. Surveys were done by the Eastern Management Group with businesses ranging in size from one employee to more than a million in 19 vertical markets and seven world theaters.

To this information, the Eastern Management Group added 30 years of quarterly PBX market data from our MonitorSM reports. All of the gathered intelligence was used in models and analyzed by our consulting team in order to produce this landmark 385 page report.
